

Delara Mozdbar

Senior Product Designer with an Engineering Soul | 5+ years in UX/UI (~6 incl. part-time) | AI-native workflow (Claude, Cursor)

Strong background in end-to-end UX, usability improvement, and cross-functional collaboration. Experienced in remote teams, SaaS platforms

EXPERIENCE

Triply, Africa — UI/UX Designer

July 2024 - Feb 2026 • 1 yr 8 mos • Part Time - Remote

- Redesigned and improved key user flows across B2C product and B2B SaaS platform, focusing on clarity and usability
- Designed new product features from early concepts to high-fidelity prototypes in close collaboration with product and engineering teams
- Improved usability of core screens based on feedback and iterative design reviews, **reducing friction in key user journeys**

Engenesis, Australia — UI/UX Designer

May 2022 - Mar 2024 • 1 yr 11 mos • Full Time - Remote

- Designed end-to-end UX/UI flows for multiple product features, from discovery to final UI
- **Built reusable UI components** and interactive prototypes to support faster development and design consistency
- Collaborated with developers during QA phase to ensure accurate UI implementation and reduce design-dev gaps

Apsaaz, Iran — UX Designer

Sep 2020 - Feb 2022 • 1 yr 6 mos • Full Time - Remote

- **Led a team of 6 UX designers**, ensuring design consistency and usability across multiple B2B/B2C products
- Mentored and reviewed the work of junior designers, improving process quality and reducing revision cycles
- Streamlined design documentation and handover workflows, improving team efficiency

9 am Studio, Iran — UX Designer

Mar 2020 - Aug 2020 • 6 mos • Full Time - Remote

Conducted UX research and improved B2C user flows to support clearer and more effective user experiences.

Arsalweb, Iran — UX Designer

Oct 2018 - Jan 2020 • 1 yr 4 mos • Full Time - On-site

Designed UX for B2B, B2C, and C2C projects and supported a high-impact online food ordering campaign.
