

DELARA MOZDBAR

Product Designer | UX/UI Design | B2B SaaS | Design Systems | AI-Assisted Workflow
Delara.Mozdbar@gmail.com | [Portfolio](#) | [LinkedIn](#) | Relocating to Yerevan, Armeni | Open to remote & relocation

PROFESSIONAL SUMMARY

Product Designer with 6+ years of experience in UX/UI design for B2B SaaS and B2C products, working with remote international teams in Australia and Africa. Skilled across the full product design process: user research, information architecture, interaction design, prototyping, usability testing and design systems. Former lead of a 6-person UX team with a background in IT engineering and front-end development (HTML, CSS), enabling strong collaboration with engineers and accurate design-to-development handoff. Uses an AI-powered workflow (Claude, Cursor) to speed up research, prototyping and coded prototypes.

PROFESSIONAL EXPERIENCE

UI/UX Designer | Triply, Africa Jul 2024 – Feb 2026
Part-time, Remote

- Redesigned key user flows across a B2C product and a B2B SaaS platform, improving clarity and usability of core journeys.
- Designed new product features from early concept and wireframes to high-fidelity interactive prototypes, in close collaboration with product and engineering teams.
- Improved the usability of core screens through user feedback and iterative design reviews, reducing friction in key user journeys.
- Designed landing pages and UI as a volunteer contractor (May – Jun 2024) before joining the team.

UI/UX Designer | Engenesis, Australia May 2022 – Mar 2024
Full-time, Remote

- Owned end-to-end UX/UI flows for multiple product features, from discovery and requirements through to final UI.
- Built reusable UI components and interactive prototypes in Figma, improving design consistency and speeding up development.
- Partnered with developers during QA to ensure accurate UI implementation and close gaps between design and development.

UX Designer | Apsaaz Sep 2020 – Feb 2022
Full-time, Remote

- Led a team of 6 UX designers, ensuring design consistency and usability across multiple B2B and B2C products.
- Mentored junior designers and ran design reviews, improving work quality and reducing revision cycles.
- Streamlined design documentation and developer handoff workflows, improving overall team efficiency.

UX Designer | 9 am Studio Mar 2020 – Aug 2020

- Conducted UX research and redesigned B2C user flows to deliver clearer, more effective user experiences.

UX Designer | Arsalweb Oct 2018 – Jan 2020

- Designed UX for B2B, B2C and C2C projects, and supported a high-impact online food-ordering campaign.

UI/UX Designer (Freelance) | Ponisha Apr 2019 – Sep 2019

- Delivered sketches, wireframes, mockups, prototypes and user interface design for freelance clients.

PROJECTS & VOLUNTEERING

GanjeMolana — Product Design Consultant & Contributor (May 2024 – Present). End-to-end product strategy and design.
Ticketa — Event ticketing platform; designed, built and deployed full-stack (AI Software Development Bootcamp).
Orbitask — Task management web app; designed and built full-stack (AI Software Development Bootcamp).
EuroSettle Academy — Learning platform; designed and built the front end, presented as a design case study.
Ferdowsi University — Front-end Web Developer, volunteer (Nov 2016). Web design with HTML, CSS and Bootstrap.

SKILLS

UX & Research: User Research, Usability Testing, UX Analysis, Information Architecture, User Flows, Wireframing, Prototyping
Product Design: Interaction Design, UI Design, Design Systems, Reusable Components, Data Visualization, Enterprise UX, B2B SaaS, Design Strategy
Leadership & Collaboration: Cross-Functional Leadership, Mentoring, Design Reviews, Stakeholder Communication, Developer Handoff, Design QA
Design Tools: Figma, FigJam, Miro, Adobe XD, Canva, Jira, Google Docs & Sheets
AI & Front-end: Claude, Cursor, ChatGPT, Gemini, HTML, CSS, Bootstrap

EDUCATION

B.Sc. in IT Engineering | Shiraz University
Final project: designed and developed a web and graphic design services website.
AI Software Development Bootcamp | Certificate

Jul 2026 – Aug 2026
